## **Addition to Lock Closures Previously Announced In Walla Walla District**

McNary navigation lock located at CO River mile 292, will join three other Walla Walla District locks in closing for service November 5-12. The maintenance crew at McNary will continue working on the navigation lock fill value that caused problems recently, making permanent repairs. Below is a schedule of the Columbia and Snake River lock closures.

McNary Lock – Columbia River mile 292  
November 5 through 12, from 0700-1700, each day of  
the closure

Lower Monumental Lock - Snake River Mile 41.6  
November 5 through 9, 2007, from 0700-1700, daily

Little Goose Lock - Snake River Mile 70.3  
November 5 through 12, 2007  
Total closure (24-hours a day, each day)

Lower Granite Lock - Snake River Mile 107.3  
November 5, 0700-1800  
November 6 through 9, 2007, from 0600-1800, daily

Please note that The Dalles navigation lock in Portland District will also close from 0700, 5 November through 1900, 12 November, 2007. For additional information regarding The Dalles closure contact Brian Schmidtke at 503-808-4333, or email [brian.schmidtke@us.army.mil](mailto:brian.schmidtke@us.army.mil).

For additional information on Walla Walla District closures, please call Operations Division at (509) 527-7115 or (509) 527-7114.
